

Zanny's T Sweater

Zanny Lovemore Blew

This sweater is from the original KAS pattern by Zanny (Ronda's sister, Sandy's Mother). This was the first garment pattern issued by KAS.

KAS would appreciate sweaters that will fit 3-10 year old children.

The garment will be longer than it is wide.

The added length is to cover the child's distended stomach.

Finished chest size: 24 in/61 cm

Next row: Cast/bind off.

Sew up side seam and under-arm for both sides.

Note: Once the neck opening stitches have been cast on again your work will be reversing what you have already knitted.

Variations

This garment can be made larger by casting on more stitches in multiples of four, for example, 64, 68, 72 etc. and/or a bigger needle.

The neck opening should be at least 8ins /20cms, which will be approx 46 stitches.

This garment can also be knitted in garter stitch (every row knit), see below.

For this sweater, 68 stitches were cast on and gives chest measurement 28ins/71cms
